Sample Menu

All of our menus vary based on our Chef's daily selection of the finest fresh Northwest seafood from our own seafood company. To highlight select seasonal favorites, a daily fresh sheet is also included in our dinner menus. Below, please find a dinner menu that is representative of what you may find at this Anthony's restaurant.

Fresh Northwest seafood is Anthony's priority; it's who we are!

To insure our guests consistently receive the finest, highest quality fresh seafood, we own and operate our own seafood company, Anthony's Seafood. Our experienced team of seafood buyers, led by Tim Ferleman, an avid fishermen and former Anthony's Chef, knows what is fresh and selects only the best for our restaurants.
